Auction Update
April 29, 2010

May 22, 2010
The Oregon Golf Club
5:30 to 10:00PM

Tickets available on-line at www.horizonces.org click on the Auction Icon for a link

Our BIG event is less than 1 month awayNOW, is the time to buy your tickets!

Please visit the HCES school website at www.horizonces.org, click on Auction, then click on Registration....Then make your selections for a fun filled evening! Enjoy the evening with friends and family by purchasing a table for 8 at a discounted ticket rate of \$450/table. This is a social evening open to family, friends, neighbors and business associates. Purchase your admission or table online or at the school office. Actual tickets are not generated, rather our registration staff will have all your information when you check-in.

Along with being a fundraiser, this is an evening to enjoy other Horizon parents, show the teachers and administration how much we care, and really become part of, and share with others, our Horizon community. Please try to purchase tickets by May 15th!

Want to REALLY make a difference ?

Sponsor a Teacher for this special evening. Sponsorship allows them to attend on a complimentary basis. Simply click the Sponsor a Teacher box on the registration page and your gift is recognized. There is no need to specify which teacher. Let's send them our clear message...**HORIZON TEACHERS ARE IMPORTANT TO US!** It is our goal that all teachers will be sponsored.

Our Auctioneer - JillMarie Wiles

The night of the auction we welcome back JillMarie Wiles. She brings over 20 years of professional marketing expertise and auction experience dating back to 1994. Her industry talent and heart for benefit auctions really shined at our event last year and we look forward to the enthusiasm she will generate again this year. **Ladies and Gentlemen, ready your paddles!**

IT'S GO TIME!!!

We are under a month until our 2nd annual auction and once again the HCES families have been more than generous! That said, we are still on the 'procurement hunt' and are looking forward to many more donations.

KEEP EM' COMING!

If you still haven't turned in your donation form(s).... IT'S NOT TOO LATE! We are accepting forms/items at the front **office through May 14.** The sooner you turn your item(s) in, the easier it is on the auction committee (and what an amazing group of parents they are!).

BE ON THE LOOKOUT

Check the auction website to view the most recent "LIVE AUCTION ITEMS" early next week. We have something for everyone... Student experiences, vacations, sports packages and outdoor adventures! Stay tuned to our website link to get a taste of what is to come on the evening of May 22.

STILL WONDERING WHAT YOU COULD DONATE?

Are you still wondering what you may have to offer? Consider the following:

Tickets to Kooza (Cirque de Soleil)

Airline tickets/miles/gift cards

Limousine ride for an evening

Gift cards/certificates

Cooking class

Tanning gift cards

Host a theme party

Landscape materials/manpower

Above are just a few ideas to ponder. For a longer list of

ideas please look under 'procurement ideas' on the auction website.

Please help us make this year's auction event even more successful. We cannot achieve our goals without your support. Donate today!

Sponsorship Update

We continue to add to our Sponsorship Commitments for this year's auction. To date, we have raised **\$16,500** in sponsorship monies.

Help us keep up the enthusiasm!

Companies and families that have stepped out in faith, include:
